

WANTED | Teams & Sponsors

ASNE-Sikaflex Ultimate Build-a-Boat Challenge
Aka... "Quick-n-Dirty Boatbuilding"

Norfolk Harborfest | Town Point Park | Sat-Sun June 10-11, 2017

1. TEAMS... Applications are not due until May, but if you are thinking about fielding a team and wish to remain on my list for follow-on communications, please send me a simple notification ASAP. Space is limited to 20 two-person teams, so early notice of intent is very important.
2. Q&A for BEGINNERS... We welcome first timers and veterans alike, and will give you plenty of assistance to help to you get started. We'll host a Q&A discussion aimed at first-time builders about 3 weeks ahead of the event. Check out past designs, construction samples, and fire away with your questions
3. VOLUNTEERS... Helping hands are always welcome!
4. SPONSORS... This is a no-stress, festive event that gives exposure of naval engineering and our maritime heritage to the public. In that spirit, sponsorship costs are very affordable. It also supports a great purpose... net proceeds fund Engineering Scholarships and STEM Grants.

DID YOU KNOW?

Our local Tidewater Section of ASNE recently funded \$14,000 for four engineering scholarships and \$5,000 for ten STEM grants for the year 2016.

Nationally, ASNE funds approximately 20 engineering scholarships every year!
